---

<sup>1</sup> Counties not listed have no reported illnesses for the year 2000

<sup>2</sup> Cases classified as agricultural are those in which people were exposed to pesticides that had been or were being used to contribute to the production of an agricultural commodity

<sup>3</sup> “Def/Pro” indicates that after evaluation, cases were classified as definitely or probably related to pesticide exposure.

<sup>4</sup> “Pos” indicates that after evaluation, cases were classified as possibly related to pesticide
